CELEBRATING WOMEN IN BUSINESS

The Ridge Meadows Chamber and the City of Maple Ridge are thrilled to announce the return of our 2nd Annual Celebrating Women in Business event. By popular demand, we are bringing back Canadian bestselling author Darci Lang. Join us for an evening of dinner, networking, and inspiration as we celebrate the remarkable women in our lives. This event is open to all genders, so we welcome everyone to join us for this exceptional occasion.

Some of you had the pleasure of hearing Darci's impactful story last year, and since then, we've received nothing but requests to bring her back. We are thrilled to have her return! Darci Lang is an award-winning entrepreneur who was inducted into the Canadian Association of Professional Speakers Hall of Fame in 2019, and she is also a bestselling author. Her focus will be on her book, "Lead the 90%," which emphasizes leading through a 90% lens. This approach involves compassion, confidence, and kindness in a world that emphasizes acceptance, inclusion, and understanding..
